

AJAYI DANIEL

Web Development Intern
(Front-end Focus)

PROFILE

Highly motivated and detail-oriented web development intern with proficiency in front-end development technologies, including HTML, CSS, JavaScript, and jQuery. I am currently learning tailwind CSS for designing the latest and trending website design.

Familiarity with a little back-end development concepts and version control systems like Git. Strong problem-solving skills, with the ability to work effectively in team environments and adapt to new technologies quickly.
